

Chairman's Report - 2025 AGM

Due to the ever decreasing turn-out (fewer than 10 Coordinators attended the last one), we are continuing with a digital format adopted during the COVID 19 Lockdowns.

At this time, we're funded to continue as we are for many years.

All 4 Committee members are standing again this year and a fifth, Peter Mungeam is standing for election.

We shall, for the time being, continue to maintain our website through which new Coordinators are recruited, an "X" - formerly Twitter (@AlfJK) feed and a regular 'news' updates covering issues across the Borough which is e-mailed to over 600 recipients.
